

Christian Living ... I Can Do It!

Text: James 5

Introduction:

1. In our previous lessons examining the book of James we have seen that we can...
 - (1) overcome trials and temptations, gain wisdom to make proper decisions and overcome doubts and the struggles they bring (Chapter 1)
 - (2) live and act properly toward one another (avoiding respect of persons) and have a Biblical saving faith in our life (Chapter 2).
 - (3) use our tongue properly and have proper wisdom (Chapter 3).
 - (4) rise above some grievous and sinful ways of life typical of the world.
2. In this lesson we will see several other aspects of Christian living I can do, but as he closes the lesson he emphasizes perhaps the suitable conclusion to all - I can be about the Lord's work!

Discussion:

I. I Can Use Riches Properly (1-6)

II. I Can Endure to the Lord's Coming (7-12)

III. I Can Overcome Afflictions (13-15)

IV. I Can Have An Effectual Prayer Life (16-18)

V. I Can Be About The Lord's Work (19-20)

Conclusion:

1. I am a Christian - I am different - I can live as He and I desire – I can do it!
