

Glad, Rejoicing and Hopeful!

Text: Psalm 16:7-9

Introduction:

1. One of the great things of following God is the life of assurance and hope which He gives.
2. In our lesson tonite we will examine this aspect of the life of the Psalmist, seeing what it is and how we too can have this.

Discussion:

I. The Psalmist's Boast (9)

1. My heart is glad
2. My glory rejoiceth
3. My flesh also shall rest in hope

II. The Psalmist's Reason (7-8)

1. The "Therefore..." of verse 9 points us to the former verses.
2. Following the Lord's counsel (7)
3. Refusing to be moved from the Lord's side (8)

Conclusion:

"Does the Psalmist's boast of verse 9 describe me?" If not, what am I willing to do about it?
