

If I Were Young Again

Text: James 4:13-17

Introduction:

1. "The ideal age is five..." — "I wish I could go back and do that over..." Such are the comments of many who wish to be young again.
2. Each of us has probably thought on the idea of being young again - I am no different. The truth is though, that no one can live life over. But we can seek to help others and self to avoid the same mistakes. Below are a few of the things which I thought might be edifying to young and old alike.

Discussion:

I. If I Were Young Again ... *I Would Take Better Care In Choosing My Companions (1 Corinthians 15:33; Proverbs 22:1; Acts 9:26)*

II. If I Were Young Again ... *I Would Study The Bible (1 John 5:4)*

III. If I Were Young Again ... *I Would Listen (Proverbs 12:15)*

IV. If I Were Young Again ... *I Would Be Bold In Godly Living (1 Peter 4:3-4)*

V. If I Were Young Again ... *I Would Become An Active Christian Much Earlier (Ecclesiastes 11:9-12:1)*

Conclusion:

1. You and I cannot go back... But we can determine to make the proper decisions today!
2. You will never be younger than you are right now!
